At the tender opening, only the Tenderers names, the total amount of the tenders and any discount offered will be read aloud and recorded.

A.15. Evaluation of Tenders

Prior to the detailed evaluation of the tenders, the evaluation committee, (established by the Contracting Authority for the purposes of this tender procedure), shall ascertain whether the tenders meet the eligibility requirements; have been properly signed, are substantially responsive to the tender documents; have any material errors in computation; and are otherwise generally in order.

If a tender is not substantially responsive i.e. it contains material deviations from or reservations to the Terms of Reference and/or conditions in the tender dossier, it shall not be considered further.

After analysing the substantially responsive tenders, the evaluation committee will examine the technical admissibility of each tender, classifying it as technically compliant or non-compliant. Deviations from the Terms of Reference may be considered if deemed to be in the best interest of the Contracting Authority.

Tenders determined to be substantially responsive and technically compliant will be checked by the evaluation committee for any arithmetic errors. Where there is a discrepancy between the amounts in the figures and words, the amount in words will govern. If a Tenderer refuses to accept the correction, his/her tender will be rejected.

Evaluation method

The evaluation method will be the quality and cost based selection. A two-stage procedure shall be utilised in evaluating the tenders; a technical evaluation and a financial evaluation.

Tenders will be ranked according to their combined technical (St) and financial (Sf) scores using the weights of 75% for the technical proposal; and 25% for the offered price. Each tender's overall score shall therefore be: $St \times 75\% + Sf \times 25\%$.

Technical evaluation

For the evaluation of the technical proposals, the Contracting Authority shall take the following criteria into consideration, with the indicated weights:

ANNEX SER 8: GENERAL TERMS AND CONDITIONS FOR SERVICE CONTRACTS – VER2 2018

1. DEFINITIONS

In these general terms and conditions:

- a) "contract" is the agreement entered into by the Contracting Authority and the Contractor for the performance of the services described in the terms of reference, to which these general terms and conditions are made applicable; the contract is constituted of the documents listed in the Service Contract.
- b) The Contracting Authority's "partners" are the organisations to which the Contracting Authority is associated or linked;
- c) "personnel" is any person assigned by the Contractor to the performance of the services or any part hereof, whether through employment, sub-contracting or any other agreement; and "key experts" are those members of the personnel whose involvement is considered instrumental in the achievement of the contract objectives;
- d) "beneficiary country" is the country where the services are to be performed, or where the project to which the services relate is located.

2. RELATIONS BETWEEN THE PARTIES

Nothing contained in the contract shall be construed as establishing a relation of master and servant or of agent and principal as between the Contracting Authority and the Contractor. Except if otherwise provided in the contract, the Contractor shall under no circumstances act as the representative of the Contracting Authority or give the impression that the Contractor has been given such authority. The Contractor has complete charge of the personnel and shall be fully responsible for the services performed by them.

3. SCOPE OF SERVICES

The scope of the services including the methods and means to be used by the Contractor, the results to be achieved by him and the verifiable indicators are specified in the Terms of Reference. The Contractor shall be responsible for everything which is required for the performance of the services in accordance with what is specified in the contract, or which must otherwise be regarded as forming part of the services.

4. COMPLIANCE WITH LAWS AND RESPECT OF TRADITIONS

The Contractor shall respect and abide by all laws and regulations in force in the beneficiary country and shall ensure that its personnel, their dependants, and its local employees also respect and abide by all such laws and regulations. The Contractor shall indemnify the Contracting Authority against any claims and proceedings arising from any infringement by the Contractor, its personnel and their dependants of such laws and regulations.

The Contractor, its personnel and their dependants shall respect human rights and undertake not to offend the political, cultural and religious practices prevailing in the beneficiary country.

5. CODE OF CONDUCT

The Contractor shall at all times act loyally and impartially and as a faithful adviser to the Contracting Authority and shall perform the services with due care, efficiency and diligence, in accordance with the best professional practice.

6. DISCRETION AND CONFIDENTIALITY

The Contractor shall treat all documents and information received in connection with the contract as private and confidential, and shall not, save in so far as may be necessary for the purposes of the performance thereof, publish or disclose any particulars of the contract without the prior consent in writing of the Contracting Authority. It shall, in particular, refrain from making any public statements concerning the project or the services without the prior approval of the Contracting Authority,

7. CONFLICT OF INTEREST

The Contractor shall refrain from engaging in any activity which conflicts with his obligations towards the Contracting Authority under the contract.

The Contractor shall take all necessary measures to prevent or end any situation that could compromise the impartial and objective performance of the Contract. Such conflict of interests could arise in particular as a result of economic interest, political or national affinity, family or emotional ties, or any other relevant connection or shared interest. Any conflict of interests which could arise during performance of the Contract must be notified in writing to the Contracting Authority without delay. The Contractor shall replace, immediately and without compensation from the Contracting Authority, any member of its personnel exposed to such a situation.

8. CORRUPT PRACTICES

The Contractor and the personnel shall refrain from performing, condoning or tolerating any corrupt, fraudulent, collusive or coercive practices, whether such practices are in relation with the performance of the contract or not. "Corrupt practice" means the offering, giving, receiving, or soliciting, directly or indirectly, of anything of value as an inducement or reward for doing or forbearing to do any act in relation to the contract or any other contract with the Contracting Authority, or for showing favour or disfavour to any person in relation to the contract or any other contract with the Contracting Authority.

The payments to the Contractor under the contract shall constitute the only income or benefit it may derive in connection with the contract and neither it nor its personnel shall accept any commission, discount, allowance, indirect payment or other consideration in connection with, or in relation to, or in discharge of, its obligations under the contract.

The execution of the contract shall not give rise to unusual commercial expenses. Unusual commercial expenses are commissions not mentioned in the contract or not stemming from a properly concluded contract referring to the contract, commissions not paid in return for any actual and legitimate service, commissions remitted to a tax haven, commissions paid to a recipient who is not clearly identified or commission paid to a company which has every appearance of being a front company.

The Contractor further warrants that no official of the Contracting Authority and/or their partner has received or will be offered by the Contractor any direct or indirect benefit arising from this Contract.

9. JOINT VENTURE OR CONSORTIUM

If the Contractor is a joint venture or a consortium of two or more legal persons, all such persons shall be jointly and severally bound to fulfil the terms of the contract. The person designated by the joint venture or consortium to act on its behalf for the purposes of this contract shall have the authority to bind the joint venture or consortium.

For the purposes of performance of the contract, the joint venture or consortium shall act as, and be considered, a single person and, in particular, shall have bank account opened in its name, shall submit to the Contracting Authority single guarantees if required, and shall submit single invoices and single reports.

The composition of the joint venture or a consortium shall not be altered without the prior written consent of the Contracting Authority.

10. SPECIFICATIONS AND DESIGNS

The Contractor shall prepare all specifications and designs using accepted and generally recognised systems acceptable to the Contracting Authority and taking into account the latest design criteria.

11. INFORMATION

The Contractor shall furnish the Contracting Authority or any person authorised by the Contracting Authority with any information relating to the services and the project as the Contracting Authority may at any time request.

12. REPORTS

The frequency, deadlines, format and contents of the reports to be drawn up by the Contractor in relation to the performance of the contract shall be described in the Terms of Reference.

13. CONTRACTOR'S PERSONNEL

13.1. The Contractor shall employ and provide such qualified and experienced personnel as are required to carry out the services, and the Contractor shall be responsible for the quality of the personnel.

The names, outputs, duties and CVs of key experts and the titles, job descriptions, minimum qualifications, estimated periods of engagement in the carrying out of the services of each of the personnel and key experts are described in the Organisation and Methodology part of the contract. The Contractor must inform the Contracting Authority of all non-expert personnel it intends to use for the implementation of the contract. The Contracting Authority shall have the right to oppose the Contractor's choice of personnel.

13.2. No changes shall be made in the personnel without the prior consent of the Contracting Authority. The Contractor shall provide a replacement with at least equivalent qualifications and experience and acceptable to the Contracting Authority in:

- a) on account of death, sickness or accident, a member of the Personnel is unable to continue providing his services,
